Means vs end

- Parties for young people is a means to gain funds to provide services for elderly/those with disability

Workshop 1 Vision Options:

A world where the elderly and disabled are **included, supported and valued** in the community

A world where everyone [the elderly and disabled?] can **live independently** for as long as possible

Age UK: "a world where every older person feels **included and valued**"

To eliminate **isolation and loneliness** in the Sid Valley

A world where the elderly and disabled in the Sid Valley can **live their best life**

A world where every elderly and disabled person feels **a valued part of the community**

To ensure **social inclusion for all** in the Sid Valley

Workshop 1 Mission Options:

To provide **healthy and hearty food, social activities and transport** for the elderly and disabled in the Sid Valley

To provide **services, care and friendship** for the elderly & disabled in the Sid Valley area to enable them to **remain in their own homes**

Age UK: "Transforming **public attitudes**, tackling **poverty**, and meeting **health and social care** needs"

To **provide volunteering opportunities to support** the elderly and disabled of the Sid Valley with **social activities, lunches and medical transport**
